

The Original Patent-Holder in Water Cost Recovery.

Reduce multifamily water bills up to 30%. 12–18 month ROI.

● MATERIAL
316 Stainless Steel

● PLASTIC PARTS
None — 100% Metal

● SIZES
Up to 16" & Metric

● SHUT-OFF TIME
Under 1 Hour

● WARRANTY
15 Years

● ORIGIN
Made in the USA

● PATENT
Original Holder

● TECHNOLOGY
Air-Compression

CERTIFICATIONS

NSF/ANSI/CAN 61

IAPMO IGG 338

HOW IT WORKS

The WAVE™ Valve uses patented air-compression technology to eliminate metered air from your water supply lines. Utility meters measure everything flowing through your pipes — including air. The WAVE™ Valve removes that air before it reaches the meter, so you only pay for actual water. No flow restriction. No moving parts. No maintenance. Ever.

Up to 30%

Water Bill
Reduction

12-18 Mo.

COMPLETE PRODUCT SPECIFICATIONS

SPECIFICATION	DETAIL
Patent Status	Original Patent Holder — WAVE™ Technology
Material	100% Medical-Grade 316 Stainless Steel — No Plastic Parts
Available Sizes	All sizes up to 16" including metric sizes
Water Shut-off	Under 1 hour — Non-invasive installation
Tenant Entry	Not required — installs at main supply line
Moving Parts	Zero — Fully passive air-compression technology
Warranty	15-Year Warranty
Certification 1	NSF/ANSI/CAN 61 — Potable Water Safety
Certification 2	IAPMO Standard IGG 338
Country of Origin	Invented, Patented & Manufactured in the USA
Technology	Patented Air-Compression Flow Management
Water Savings	Up to 30% reduction in metered water costs
ROI Timeline	12 to 18 months average payback period
Cap Rate Impact	Immediate forced appreciation upon installation
ESG	Measurable water reduction for LEED, Green Key & ESG reporting

WHY FLUIDLYTIX

● The Original.

We invented the WAVE™ Valve and hold the sole patent. There are no equivalents.

● Verified Results.

Over 2,500 installations worldwide with documented, third-party-verified savings.

● Direct Factory.

No distributors or middlemen. Direct-from-factory pricing and engineering support.

● Risk-Free.

Our engineers provide a Guaranteed Savings Forecast before you commit to anything.
